Introductions/General Information

Introductions: Board members, staff, and parents

Newsletters – Peggy Dudley

Peggy proposed printing the Parent Guild monthly newsletter on the back of the office monthly newsletter to save on cost. The office prints theirs on their copy machine which, at this time, will not do back-to-back. This may be a future option.

Website Media – Peggy Dudley

Peggy proposed putting copies of such things as PG Bi-Laws and tax information on the website so that when there is a change of officers, the information would be in one place. This was approved by administration. It was also agreed to continue to use Quick Book On-line for our financial reporting instead of purchasing a program.

Adopt a Family – Kathleen Szachta

MCMA would like to form a “Welcoming Committee” of volunteers to stay in touch with new families entering our school next year. Would try to match families with similar age children.

Volunteers could answer questions about our school and walk them through procedures to help them get acclimated.
